

# POINT OF SALE

## Main functionalities

**Ticketing system for karting and other activities**  
**Arrive & Drive and Pay & Go**  
**Flexible sales system (shop, restaurant, bar)**  
**Reservations**  
**Prepaid credits**  
**Bonus points**  
**Money on card (having your own currency is possible)**  
**Cash Reports**

This cash software will make your staff's sales smoother. The whole process will gain productivity and efficiency.

The POS should be used with touch screens for the best experience. When you combine it with the membership system, the people flow becomes even faster: simply swipe cards and all sales information will be assigned to the members' account.

## MORE POSSIBILITIES WITH...

- Kiosk to optimize people flow
- Timing software to link drivers to their race
- Office for sales reports, automated offers, and more advanced accountancy
- iNet for online bookings and online credit recharge
